## Hanoi Environmental Seminar 2008 on Jan. 24, 2008

The Joint Study on Development of Energy Recovering Wastewater Treatment System in  
Vietnam  
Subsidized by NEDO

### SEMINAR REGISTRATION FORM

Fee: Free of charge

The seminar regarding the joint study on development of energy recovering wastewater treatment system in Vietnam is jointly organized by Osaka Sangyo University and Institute of Environmental Technology (IET), Vietnamese Academy of Science and Technology with Non-profit Organization OSU Exchange Support Center of Environmental and Advanced Technologies in Asia and Supporting Committee for APEC Virtual Center for Environmental Technology Exchange, Japan under the auspices of The New Energy and Industrial Technology Development Organization (NEDO). This seminar focuses on accomplishment reports of the joint study on development of [energy recovering wastewater treatment system](#) in Vietnam, a proposal-based research and development project subsidized by NEDO, implemented by Osaka Sangyo University, a Japanese company and IET. The research trend of environmental conservation in Japan and the status quo of environment in Vietnam are also reported.

1. Date

24<sup>th</sup> of January 2008

2. Venue

**Fortuna Hotel Hanoi**

6B Lang Ha Street, Ba Dinh District, Hanoi

3. Schedule

Time	Contents
8:00-8:30	Registration
8:30-8:35	Opening Address Dr. Nguyen The Dong, Director of the Institute of Environmental Technology
8:35-8:40	Welcome Speech 1 Prof. Chau Van Minh, Vice President of the Vietnamese Academy of Science and Technology
8:40-8:45	Welcome Speech 2 Prof. Masataka Sugahara, Dean of the Faculty of Human Environment, Osaka Sangyo University

8:45-8:50	Welcome Speech 3 Mr. Shouji Kukita, Director General, NEDO Bangkok Office
8:50-9:30	Keynote Lecture 1 "Microbial Wastewater Treatment and Hydrogen Production" Prof. Tadayuki Imanaka, Kyoto University
9:30-9:50	Keynote Lecture 2 "Existing Condition of Water Environment in Vietnam" Dr. Nguyen The Dong, Director of the Institute of Environmental Technology
9:50-10:00	Coffee Break
10:00-10:15	Joint Study Report 1 "Summary of the Joint Study" Mr. Tatsuhide Hamasaki, Osaka Sangyo University
10:15-10:35	Joint Study Report 2 "Report of UASB Method Research" Dr. Phan Do Hung, Deputy Manager of Department of Water Treatment Technology, Institute of Environmental Technology
10:35-10:55	Joint Study Report 3 "Report of Aerobic Method Research" Mr. Kiyoshi Suzuki, President of Suzuki Sangyo Corporation
10:55-11:15	Special Presentation "Overseas Activities of NEDO" Mr. Yasushi Hoshino, Project Coordinator, Environment Technology Development Department, NEDO
11:15-11:35	Comment from Industry Mr. Tran Van Sen, Chairman of the Huong Sen Import Export Trading Production Company
11:35-11:40	Closing Address Dr. Nguyen The Dong, Director of the Institute of Environmental Technology
12:00-	Reception

#### 4. Language

Japanese-Vietnamese Simultaneous Interpretation
